PUBLIC INVITED TO PARTICIPATE IN SURVEY

CARLISLE, PA – The Cumberland County Planning Department is inviting residents to participate in a short, 10 question survey. The survey results will help inform the development of the Cumberland County Land Partnerships Plan Update.

Land Partnerships is a county-wide strategy designed to improve and enhance the quality of life in Cumberland County through farmland preservation, natural resource protection, parks, trails and greenways and creation of livable communities.

Obtaining feedback from the community is vital to the Land Partnerships planning process. Citizens can take the survey online or request a paper copy to complete. To access the survey online, go to www.ccpa.net/landpartnerships. To request a paper copy of the survey, residents should contact the Planning Department at (717) 240-5362.

A project website has been developed to keep residents informed on the Land Partnership Plan planning process. Citizens should visit www.ccpa.net/landpartnerships to view updates and information related to the plan including public meeting information, committee meeting dates and draft plan materials and mapping.

For additional information or questions related to the survey or plan update, contact Stephanie Williams, Greenway & Open Space Coordinator, Cumberland County Planning Department at (717) 240-5383 or at sjwilliams@ccpa.net
