### **Two Employees Test Positive for COVID-19 at Claremont Nursing and Rehabilitation Center**

*To date, no residents have tested positive for COVID-19*

**Carlisle, PA** – Claremont Nursing and Rehabilitation Center (CNRC) today announced two staff members tested positive for COVID-19. The two individuals had little to no contact with residents.

Several staff members who worked with the individual have been tested and are currently self-monitoring at home prior to returning to work per CDC guidelines.

To date, no residents have tested positive for COVID-19. Four staff members have tested positive.

In accordance with the CDC and the DOH, residents are reminded to practice social distancing, covering coughs and instructed them to frequently wash hands and remain in their rooms.
