UPDATE: COVID-19 Resident Death And Additional Cases At Claremont Nursing and Rehabilitation Center

Carlisle, PA – Claremont Nursing and Rehabilitation Center (CNRC) today reported that in the past four days, five residents passed away due to the COVID-19 virus.

Currently, the facility has **52 residents and 20 employees who have tested positive since weekly testing resumed on Thursday, Nov. 5.**

Testing will continue until there are no positive cases. All families have been notified. Since the pandemic began in February, ten residents have died due to the virus, 54 residents and 32 staffers have tested positive.

Visitation has ceased for the safety of the residents, staff and visitors, with the exception of end of life.
