No Tax Increases For 7th Consecutive Year; Commissioners Adopt 2021 Budget

Carlisle, PA – The Cumberland County Board of Commissioners adopted the \$255.5 million county budget for 2021. The General Fund is \$96.5 million of the total county budget, with no tax increase for the seventh consecutive year.

For the seventh consecutive year, the budget contains no increase in the county's General Fund real estate rate. Real estate millage remains at 2.195 mills and library millage remains level .166 mills.

The county has maintained its AAA bond rating for 13 years due to strong financial management and a strategic approach to balancing costs and revenues. The commissioners, working with the county's department heads, have worked to slow the growth of short and long-term costs, without sacrificing services to county residents.

The county provides an array of essential services for the residents of Cumberland County. Those services include public safety, human services, courts, criminal justice, and community and environmental planning.

Cumberland County has one of the lowest tax rates and unemployment figures among counties in the South Central Pennsylvania region.

The county continues to pursue opportunities to lower its operational costs, where possible, and to modernize its delivery of services. Throughout 2021, the county will continue to monitor costs, pressures and demonstrate fiscal accountability to the taxpayers, while providing efficient and cost effective services to the public.
