UPDATE: COVID-19 Resident Deaths And Additional Cases At Claremont Nursing & Rehabilitation Center

Carlisle, PA – Claremont Nursing and Rehabilitation Center (CNRC) today reported that since Friday, Dec. 11, **an additional nine residents passed away, bringing the total to 29 deaths** due to COVID-19.

Currently, the facility has **98 residents and 48 employees who have tested positive since weekly testing resumed on Thursday, Nov. 5**. To date, **43 residents, and 43 staff members who tested positive for the virus have recovered**.

Testing will continue until there are no positive cases. All families have been notified. Since the pandemic began in February, 29 residents have died due to the virus, 100 residents and 60 staffers have tested positive.

Visitation has ceased for the safety of the residents, staff and visitors, with the exception of end-of-life situations.
