Claremont Staffer Tests Positive for COVID; Visitation Closed

Carlisle, PA – Claremont Nursing and Rehabilitation Center (CNRC) today reported a staff member tested positive for COVID-19. The employee is quarantining at home until testing negative. Universal testing will begin Monday, May 3, for all residents and employees as directed by the Department of Health epidemiologist.

All families, residents and employees have been notified. Visitation has ceased for the safety of the residents, staff and visitors, with the exception of compassionate care visits and end of life.
