### **Cumberland County Government Facilities Open To Residents**

*Some Offices Operating By Appointment; Check The County Website For Details*

**Carlisle, PA** – All Cumberland County government facilities will be open to the public, with or without an appointment, beginning Monday, May 10. Some departments will continue to operate by appointment only. Residents should check the [county website](#) to ensure appointment availability for those offices. Government facilities are open Monday through Friday, 8 a.m. – 4:30 p.m., unless otherwise noted. The county had been operating by appointment only since Nov.25, 2020.

Public meetings will still be accessible through Zoom; however, if a resident wants to attend in person, please contact the Cumberland County Commissioners' Office at 717.240.6150 to ensure room capacity.

Cumberland County government facilities will continue to adhere by PA Department of Health and CDC guidelines. This includes social distancing, wearing a mask, and utilizing the hand sanitizing stations located within the county facilities. All areas will be sanitized, as our facilities management team has done since the pandemic began. If residents are sick, showing any signs of COVID, or have been with an individual who may have contacted the virus, are asked to visit the courthouse at another time.

The Cumberland County Court of Common Pleas and all District Courts remain open with limitations and COVID-19 mitigation efforts in place pursuant to CDC guidelines. Individuals or parties who have business with the Cumberland County Courts are encouraged to check the latest [Emergency Court Order](#) from President Judge Edward Guido.

Current visitation restrictions remain in place at the Cumberland County Prison and the county-owned Claremont Nursing and Rehabilitation Center. For information regarding Cumberland County Departments, visit [www.ccpa.net](http://www.ccpa.net).
