**Electric Monitoring / House Arrest Alternative Sentence for DUS Cases**

Name: \_\_\_\_\_

You are being considered for the Electronic Monitoring/House Arrest Program. This program provides persons convicted of Driving Under Suspension or Driving Under Suspension/DUI-Related with an opportunity to serve the mandatory minimum incarceration term as required by law under House Arrest and Electronic Monitoring.

**REQUIREMENTS:**

- You must be up to date on all payments plans with the Court of Common Pleas or the Magisterial District Courts.
- You must be clear of any outstanding warrants.
- You must be the owner or a signer on the lease of your residence, or have the permission of the owner or lease holder to be on electronic monitoring and house arrest.
- You must agree to the costs, terms and conditions of EM/HA.

**FEES/COSTS:**

Cost of EM is \$5 per day with an initial \$30 hook up fee

30 days = \$150 + \$30 (hook up fee) = \$180

60 days = \$300 + \$30 (hook up fee) = \$330

90 days = \$450 + \$30 (hook up fee) = \$480

At the time of hook up you will need to pay the \$30 hook-up fee and the first month's costs (\$150).

For 60 and 90 day cases, you will enter into an installment agreement to pay \$150 every thirty days from the date of sentence until you are paid in full.

If you receive a sentence longer than 90 days, your payments will continue in installments of \$150 every thirty days from date of sentence until your sentence is complete.

**If the bracelet is damaged, cut, or lost, you will be charged for the full cost of the bracelet.**
