### Cumberland County Commissioners Approve \$266K Funding for Conservation and Recreation Projects

**Carlisle, PA** – The Cumberland County Board of Commissioners approved \$266,607 in land partnership grants for projects across the county. The funding will be used for nine projects including eight municipalities and one non-profit organization.

The Land Partnerships Grant Program provides financial assistance to municipalities and non-profit organizations for the purpose of agriculture preservation, natural resource protection, creation of parks, trails, and greenways. Funding for the grant program is derived from Act 13 impact fees collected on natural gas drilling.

Projects were evaluated according to the following criteria:

- Eligibility of the proposed project activity
- Consistency with local and county planning documents
- Benefits of the project to community and county as a whole
- Financial feasibility
- Overall quality and completeness of the application
