### Cumberland County Encourages Residents to Participate in PennDOT Survey

*Residents should respond to the survey at [talkpatransportation.com](http://talkpatransportation.com) by Sunday, April 30*

**Carlisle, PA** – Cumberland County encourages residents to complete PennDOT’s survey for the 12-Year Transportation Program. The survey will help PennDOT determine transportation needs and direct funding to areas with the greatest need.

The 12-Year Program (TYP) is Pennsylvania’s official mid-range planning tool. It lists statewide planned projects and assigns funding to projects over a 12-year period. The first four years comprise the Statewide Transportation Improvement Program (STIP).

**Survey topics include:**

- How You Travel
- Your Transportation Priorities
- Transportation Issues
- Transit Budget Priorities
- How To Increase Transit Funding

As part of PennDOT’s public comment period, an [Online Public Forum](#) will be held April 12, 2023 from 6:30 - 8 p.m., featuring a presentation from PennDOT State Transportation Commission officials and a live Q&A session.

Residents can complete the [survey online](#) or for a paper copy, by phone at 717.783.2262 until Sunday, April 30, 2023. Additional information can be found at [talkpatransportation.com](http://talkpatransportation.com).
