### Mosquito Spraying Tuesday in Cumberland County for West Nile Virus Control

**Carlisle, PA** – Cumberland County will conduct an adult mosquito control spray on Tuesday, Sept. 3 from dusk until 11 p.m., in accordance with the Department of Environmental Protection's Mosquito-Borne Disease Control (MDC) program. Spraying was originally scheduled for Thursday, August 29, but was rescheduled due to inclement weather.

The control spray is being conducted due to high populations of West Nile Virus (WNV) positive mosquito samples. Spraying will occur in portions of Carlisle, and Dickinson, Southampton, Shippensburg, and South Middleton Townships.
