Cumberland County Recount of Casey-McCormick U.S. Senate Seat Underway

Carlisle, PA – The Cumberland County Bureau of Elections began the recount for the United States Senate seat this morning, Wednesday, Nov. 20, at 8 a.m.

After being sworn in to uphold the law, perform duties impartially, and not to read, write, or certify any return or vote falsely or fraudulently, 17 trained county staffers began the recount process, which will continue each day until all votes for the Casey/McCormick recount is completed. The recount must be completed by noon on Tuesday, Nov. 26, 2024.

Once all 149,754 ballots—including those cast on Election Day, by mail, and provisionally — have been recounted, the unofficial results will be posted on the Cumberland County [Bureau of Elections website](#).

Breakdown of ballots to be recounted:

- Election Day - 105,632
- Mail Ballots - 43,223
- Provisional - 899

The candidate, or their attorney, and two representatives from the party are permitted to witness the count. The recount of the United States Senate seat is being conducted at the Bureau of Elections, 1601 Ritner Highway, Suite 201, Carlisle, PA.
