

## Raffles:

Ticket printing requirements:

- Must be sequentially numbered and have a detachable stub with the same number
- Stub must contain the purchaser's name, address, and phone number.
- Must be accounted for by the use of a logbook showing to whom they were given to be sold

Minimum information required on ticket:

- The date, time, and location of the drawing
- The name of the licensee
- SGOC license number
- Special raffle permit number, if applicable
- The cost of the ticket
- A description of the available prizes

Raffle tickets may be sold in any municipality that has approved a small games of chance referendum

- If a licensed organization plans to sell raffle tickets in a county other than that in which it is licensed, they must notify the District Attorney and licensing authority of the other county as to the dates and location of sales.
