

Dear Licensee,

Title 18 §6109(e)(1)(ix) of the Pennsylvania Crimes Code states "A license shall not be issued to any of the following: A resident of another state who does not possess a current license or permit or similar document to carry a firearm issued by the State..."

Therefore, an out-of-state licensee whose domicile permit is revoked or expires, shall have their Pennsylvania License To Carry Firearm (LTCF) revoked.

By signing below, you acknowledge notice of your obligations under the preceding statute and agree to notify our office upon having your domicile permit revoked or allowing it to expire.

Furthermore, you agree to provide our office a colored photo copy of your renewed domicile Handgun Permit and current Driver's License. Failure to do so will result in the Pennsylvania LTCF being revoked and the denial to have your Pennsylvania license renewed.

In addition, you will need to provide our office the name and phone number of the issuing agency you received your out-of-state license from.
