### **Cumberland County Treasurer's Office Begins Selling 2026 Dog Licenses Dec. 1**

*Treasurer Kaytee Isley Encourages Residents to Purchase Dog Licenses to Protect Dogs.*

**Carlisle, PA** – Cumberland County Treasurer Kaytee Isley today announced that 2026 dog licenses are available for purchase beginning Monday, Dec. 1, 2025. Treasurer Isley emphasizes that licensing your dog is the fastest and most reliable way to ensure their safe return should they ever become lost.

Dog owners can obtain licenses in person, by mail, or [online](#) from the Treasurer's Office. To make the process even easier, the Treasurer's Office will also host licensing events at various locations across the county, offering residents added flexibility and accessibility.

Pennsylvania state law mandates that all dogs aged three months and older must be licensed annually. Dog license fees are \$10.80 for an annual license and \$52.80 for a lifetime license. Lifetime licenses are available only for dogs that have been microchipped by a licensed Pennsylvania veterinarian or kennel licensee, or tattooed with a number issued by the Treasurer's Office.

For residents aged 65 and older or those with disabilities, the cost is \$8.80 for an annual license and \$36.80 for a lifetime license. To qualify for the discount, individuals with disabilities must provide proof of disability insurance income under the Social Security Act, rent or property tax rebates under Public Law 104, or a handicapped license plate or placard issued by the Pennsylvania Department of Transportation.

"For most families, a dog isn't just a pet—it's a beloved member of the household," said Cumberland County Treasurer Kaytee Isley. "Securing a 2026 dog license is one simple way to protect their safety and ensure their happiness."

The fine for an unlicensed dog is up to \$500, plus court costs. Revenue from dog license sales supports the work of dog wardens under the Pennsylvania Department of Agriculture. These wardens protect dogs and puppies in kennels, shut down bad actors and puppy mills, and monitor dangerous dogs to keep them off the streets, contributing to community safety.

To streamline the licensing process there are no longer agents across the county. However, there are three easy ways for residents to purchase dog licenses:

**Online:** Visit the [Cumberland County Treasurer's website](#) to apply and pay by credit card. Licenses will be mailed within two weeks.

**By Mail:** Send an application and check to the Cumberland County Treasurer's Office, 1 Courthouse Square, Room 201, Carlisle, PA 17013. Licenses will be mailed within two weeks.

**In Person:** Visit the Cumberland County Treasurer's Office in the Main Courthouse, 1 Courthouse Square, Room 201, Carlisle. Residents can pay by cash, credit card, or check, and receive a license the same day.
